#1 IN SA
FOR GRADUATE CAREERS

Emma Young, UniSA contemporary art graduate.

🔘 @emmayoungglass

COLOUR IT YOUR WAY

Develop your sense of individuality and push your creativity to new limits by studying art, architecture, urban planning or design. Build a career that will contribute to the creative and cultural landscape of the world around you. Express yourself through creative practice and learn from professional artists, architects, designers and researchers who are leaders in their field. Access a range of purpose-built spaces on campus, including practical design studios and workshops fitted with all the tools you need and the latest industry-standard technologies like 3D modelling, virtual reality systems, digital fabrication, water jet cutters and 3D printers.

⊘ unisa.edu.au/study

Featured: Big Bright Room, 2019, painted by Dave Court and Henry Jock Walker, photo by Dave Court.

HOME OF CREATIVE

UniSA is the home of creative. It's in our DNA. In fact, we're home to one of the oldest art schools in Australia. We're also one of the most actively engaged universities, known for connecting our students, alumni and the broader community to the world of art and all its possibilities through public galleries and spaces, exhibitions, events and partnerships. You can find inspiration in our creative spaces like the South Australian School of Art (SASA) Gallery, Australia's only architecture museum and the highly celebrated Samstag Museum of Art, all located on campus.

ARCHITECT YOUR FUTURE

Shape the world and environments we live in by studying an architecture degree at UniSA. Learn to create new spaces that will define and influence the way we interact, work, socialise and engage. Our undergraduate and postgraduate degrees will prepare you for your professional career by connecting you with real clients, industry mentors, communities and projects. You will also get hands-on experience by designing, making and building in customised studios and workshops located on campus, along with opportunities to participate in national and international study tours, competitions and exhibitions.

ART WITH AN EDGE

We offer the largest range of art studio areas in Australia through our Bachelor of Contemporary Art. Explore your creativity through painting and drawing, photography, glass, ceramics, jewellery and metal, sculpture or printmaking. Learn in customised studios located on campus and develop your contemporary practice through access to advanced technologies such as virtual reality, augmented reality, 3D prototyping, motion capture, digital printmaking and digital formwork.

MODERN DESIGN

Change the way we view and interpret the world through a degree in design. Discover the many places that design can take you — whether it's designing new products like mobile phones, toys or solar cars; creating illustrations for books or animations for movies and games; or developing visual identities for websites, apps or brands. In your design degree at UniSA, you can choose to specialise in an area of your choice, including product design, graphic design, illustration and animation, or game art. If you go on to postgraduate studies, you can focus on areas like industrial design, sustainable design and interior architecture.

160 YEARS OF EXPERIENCE TEACHING VISUAL ARTS

This incorporates the South Australian School of Art (one of Australia's oldest art schools), which opened in 1856 and became part of the UniSA brand in 1991 when the University was established.

"The best advice I can give to current students is to be part of the conversation. Understanding the people and environment around you, will give your work greater depth and integrity. Always take advantage of the diverse industry connections during your studies and jump at the chance to do hands-on work experience."

Amy Grundy | Director & Principal Architect | Studio AKA

#1 IN SA FOR EMPLOYER SATISFACTION

2019 QILT Employer Satisfaction Survey — Overall Satisfaction Indicator.

RISING STARS

Through a unique partnership with JamFactory — a South Australian icon and one of the state's most recognised and globally connected creative arts organisations — we collaborate to support and promote emerging artists and designers in their careers through internship opportunities, networking, mentoring and more.

Jam Factory

GET REAL EXPERIENCE

Engage with professional artists, designers and architects during your studies. Connect directly with industry through work placements and internships, local and international study tours, and mentoring opportunities, so that you graduate with the skills you need to start your career.

TEST YOUR IDEAS

Match Studio is a unique learning space on campus, where interdisciplinary teams of students, academics and researchers come together to co-create innovative design solutions to real-world challenges. Work with a range of real clients to develop creative concepts, ideas and products, and see your designs come to life.

@matchstudio

MAKE A LASTING IMPACT

Take part in the award-winning UniSA Design Construct learning experience, where you will design and then construct buildings and structures in locations around Australia and overseas. Collaborate with other students from a range of design disciplines, consider client and community needs, and get firsthand experience on a building site. This is the largest and longest-running teaching program of its type in Australia. Get involved and develop the skills you need for professional practice while making a lasting impact on individuals and communities.

BIG HEART FOR ART

Since graduating, Dave Court has been a rising star on the Adelaide arts scene, painting large-scale murals and creating immersive installations for the SALA, Spin Off, Field Good and Laneway festivals. Most recently, he was celebrated for winning the 2020 Adelaide Fringe Poster Design Competition. His design captured the event's 60th diamond anniversary, using a colourful combination of aerosol spray paints.

Dave says this approach to creativity was nurtured during his time at UniSA, where he was able to play with a broad range of mediums.

"I was able to use all the workshop facilities to try a range of different things, from glass making, ceramics and sculpture, to textiles, printmaking and photography. My teachers really pushed experimentation as a driving force for making things."

An incredible young talent, Dave continues to put his stamp on multiple projects and is now a board member of Renew Adelaide, supporting cool new ventures throughout the CBD.

ONLY UNIVERSITY IN SA RANKED FOR ART AND DESIGN

2020 QS Subject Rankings.

#1 IN SA FOR TEACHING QUALITY

ComparED (QILT) Student Experience Survey 2018-19. Public SA-founded universities only.

"We work closely with industry, so our graduates learn professional practice from the very first day they start university. It's so rewarding to mentor students in unlocking their potential in illustration, animation and drawing. I very much enjoy being a part of their growth, seeing how their individual skills and understanding have developed."

Jo Mignone | Course Coordinator: Bachelor of Design (Illustration and Animation)

STUDENT PROJECTS

1. Cameron White, Bachelor of Architectural Studies.
2. Patrick Fanesi, Bachelor of Design (Communication Design).
3. Emma Bailey, Bachelor of Design (Communication Design).
4. Kousuke Kuno, Bachelor of Design (Illustration and Animation).
5. Fraser Murison, Bachelor of Architectural Studies.
6. Declan Luke, Bachelor of Design (Illustration and Animation).
7. Jessica Murtagh, Master or Design (Contemporary Art).
8. Artwork developed for Singapore Design Week; Renaturation Installation.

YOUR CAMPUS

YOUR HOME CAMPUS IS CITY WEST

CREATIVE SPACES / City West Campus is home to purpose-built design spaces, including a digital workshop along with studios for ceramics, glass, sculpture, printmaking, jewellery and metals, photography, painting and drawing.

VIRTUAL CAMPUS

We're one of Australia's largest online education providers, giving our students more choice when it comes to flexible learning. You can study fully online or through a blended mode. Our virtual campus is supported by custom online learning platforms using the latest industry software.

UniSA Student Portal ▶
UniSA Online Learning Platform ▼

TAKE A VIRTUAL CAMPUS TOUR
⊘ *unisa.edu.au/virtualcampustours*

HYVE 3D STUDIO / Sketch directly in 3D and see your designs come to life through full-scale immersion. Engage with interactive technologies and collaborate with other designers both locally and remotely in virtual design spaces.

#1 IN SA FOR CAMPUS FACILITIES
ComparED (QILT) Student Experience Survey 2018-2019 — Learning Resources Indicator. Public SA-founded universities only.

MOD. / This award-winning futuristic museum of discovery features interactive exhibitions that bring science and art together, and provides a window into new and disruptive thinking.

CAN YOU DESIGN FOR PLEASURE?

SASA GALLERY / Be captivated by inspiring exhibitions of contemporary art, architecture, design and visual media. Showcase your work in this open public space and make the most of free events, gallery talks and guest lectures.

SAMSTAG MUSEUM OF ART / Be transported into a world of visual wonders at the Samstag Museum based on campus. It's one of Australia's leading art museums, known for its bold exhibitions that stimulate, challenge and engage audiences by showcasing contemporary artists from around the country.

DIVIDED WORLD

ARCHITECTURE MUSEUM / Be immersed in South Australia's architectural history in this unique and thought-provoking space. It's the only museum of its kind in Australia and is home to more than 200,000 items that tell the story of our state's built environment.

GET CONNECTED

with Australia's University of Enterprise

PRACTICAL LEARNING

We offer more than 200 world-class degrees across a wide range of study and career areas. You will learn in a highly practical environment with a focus on real-world applications. You can also take the opportunity to complete an internship or placement during your studies, learning from experts and building work-ready skills.

TOP RANKING TEACHERS

Make your study experience relevant by learning from highly qualified academics and industry professionals with curriculum informed by the latest insights and trends. In fact, we're ranked number one in South Australia (QILT: Student Experience Survey) and amongst the best young universities in Australia (THE Young University Rankings) for teaching quality.

WORLD-CLASS FACILITIES

Study in modern, purpose-built facilities across all six UniSA campuses. Learn with the latest industry-standard tools and technologies that will take you from the classroom to the workplace. This includes state-of-the-art laboratories, community clinics, creative studios, collaborative learning areas and simulation spaces.

POWERFUL PARTNERSHIPS

We collaborate with more than 2,500 companies worldwide to bring our students placement, project, research and work opportunities. Connect with industry during your studies and build your professional networks before you graduate.

GLOBAL OPPORTUNITIES

Broaden your thinking and see the world through a range of global opportunities. Travel overseas through a student exchange, short-term program, internship, volunteering opportunity or study tour. Graduate with international experience and the skills to take on new challenges.

International travel is subject to Australian Government guidelines.

REAL RESEARCH

Our research is inspired by challenges. We produce new knowledge that provides real solutions for industry, businesses and the wider community. You will even explore new concepts and findings in your chosen degree, influenced by our world-class research outcomes.

LEARN A LANGUAGE

Develop the skills you need to work internationally by studying a second language. Learn French, Italian, Japanese or English (for speakers of English as a second language) through a Diploma in Languages. Access the Multimedia Languages Lab at Magill Campus and connect with native speakers from around the world in real-time. Graduate with an additional qualification by studying the diploma alongside your undergraduate degree.

⊘ *unisa.edu.au/languages*

EXPERIENCE STUDENT LIFE

Enjoy life beyond the classroom by getting involved in campus culture. Connect with new people at Orientation, keep active with UniSA Sport and on-campus fitness facilities, or find your tribe with more than 100 student clubs to choose from. Discover our wide range of events throughout the year and connect with USASA — your student association.

⊘ *unisa.edu.au/studentexperience*

GET CAREER READY

Prepare for your future career from first year with support from our Career Services team. Access our online Career Hub for self-help resources, including tips on resume writing and an interview simulator. There are also professional and exclusive job listings. Connect with a career adviser for help with career mapping, attend industry events to build your professional networks, or walk into one of our drop-in centres on campus for general advice.

Prerequisites: *none*
Assumed knowledge: *none*

Learn to create innovative and sustainable interiors that have a positive and lasting impact on individuals, communities and environments that surround us. Develop a solid foundation in the theoretical and ethical aspects of interior design, along with a strong understanding of industry trends and demands such as the modern workplace and placemaking. Apply design processes and strategies to a range of interior architecture projects and work directly with professional clients to challenge orthodoxy and transform places and spaces. Participate in national and international study tours, competitions and exhibitions. Connect with other students through collaborative projects for real clients, complete an industry placement and study in purpose-built design and architecture studios on campus. You will also connect with clients and work on design projects through Match Studio. After graduation you will also be eligible for Graduate Membership with the Design Institute of Australia (DIA).

Build a rewarding career in architecture, helping to shape and transform the environment around you. Learn about the theoretical, behavioural, environmental and ethical issues within architectural practice; social and political context in design; traditional drawing methods; computer-based representation; and contemporary design culture. Study in modern facilities, including purpose-built design studios and workshops on campus. Engage in real-life projects through our award-winning Design Construct learning experience, the longest running practice-based teaching program of its type in Australia. You will also connect with real clients and work on design projects through Match Studio. Continue your studies through the Master of Architecture to become a registered Architect.

CAREERS

Architect (with further study) · exhibition designer · urban designer · production designer · drafter · studio manager · project manager · heritage consultant · planning and development officer (with further study)

Note: This degree provides the requirements for entry into the Master of Architecture (DMAE). The master's program is accredited by the Architectural Practice Board of South Australia and is listed as an accredited degree by the Architects Accreditation Council of Australia. Graduates must complete a minimum period of work in the industry and the Architectural Practice Examination to be eligible to apply for registration as an Architect.

"All through school I always had a passion for art and knew it was a space I saw myself working in. While painting was at the forefront of my creative focus going into the degree, it was after taking an elective that I found photography to be the better fit for my creative drive. Through access to a professional studio space and lighting/photo equipment, I was able to develop my skills across a whole range of photographic processes and saw my creative visions become a reality."

*Some courses may be delivered at Magill Campus depending on your chosen industry majors.

Prepare for a career in the growing creative industries. Study a degree delivered with leading industry collaborators and explore your creativity in an area that interests you most, including contemporary art (see below). Design your own degree by choosing from 12 industry majors, each with a unique focus, including Animation and Visual Effects, Comicbook Creation, Communication and Media, Contemporary Art Studies, Creative Writing and Literature, Digital Media, Festivals, Film and Television, Games Design and Production, Performing Arts, Screen Studies or Social Media. You can then select either a secondary major or two minors from a range of creative and business disciplines. Complete an internship or placement, go on an international exchange, work on real-world projects and build a portfolio of work. You can also choose to study a startup/creative venture stream in your final year.

Contemporary Art Studies

Explore the foundational concepts of art theory and practice. Expand your knowledge and skills in contemporary art disciplines such as ceramics, drawing, glass, jewellery and metal, new media arts, painting, printmaking, sculpture, textiles and contemporary art history. Learn in custom-built studios and workshops on campus with practising artists, highly skilled teachers and academics.

"Creativity is a very liberating thing to do and if you have the determination to really push yourself, it's an incredibly rewarding profession to step into. There can be a stigma about pursing a creative path, but you have to do what sings to you and this has been one of the most fulfilling things I've done."

UniSA College pathways: Foundation Studies or Diploma in Arts
Prerequisites: none
Assumed knowledge: none

Complete a major in Game Art, focusing on artistic design for games development and virtual world simulation.

Study Australia's only degree combining illustration, animation and game art through a unique collaboration between UniSA and TAFE SA. Discover the growing field of games development and virtual world simulation, and prepare for a dynamic and creative career that can take you around the world. Begin your studies by exploring the theoretical knowledge and technical skills needed for pictorial development, visual storytelling and game art. Develop skills in drawing, painting, animation, visual effects, sculpture, and conceptual thinking; and also build your understanding of 2D and 3D software applications. In second year, you will complete the Diploma in Game Art by studying courses at TAFE SA. You will then return to UniSA to complete your degree and graduate with two qualifications, along with a personal portfolio or show reel. Learn in on-campus workshops fitted with state-of-the-art equipment, including 3D modelling and visual effects software, industry-standard motion capture and virtual reality systems, 3D printers and a green screen.

CAREERS

Games developer · game designer · animator · illustrator · technical artist · visual effects artist · game play tester · production artist · character modeller · storyboard artist

UniSA College pathways: Foundation Studies or Diploma in Arts
Prerequisites: none
Assumed knowledge: none

Enter the creative and innovative world of product design. Build a career designing products that people use every day, including electronic and medical devices, tools, sports equipment, fashion accessories, domestic appliances and furniture, along with user interfaces. Learn about the fundamentals of design through design history, theory and thinking, human centred design, and creativity. Broaden your knowledge through studies in ergonomics and human factors, advanced 3D modelling and manufacturing, sustainable design, materials and processes, and design for usability. Develop practical skills through design studio classes, model making and prototyping. Learn from practising design professionals in modern, custom-built workshops on campus. Work with the latest digital fabrication equipment such as laser cutters, CNC routers, 3D printers, water jet cutters and virtual reality systems. Gain practical experience through professional placements and connect with real clients and work on real design projects through Match Studio. After graduation, you will also be eligible for Associate Membership with the Design Institute of Australia (DIA).

UniSA College pathways: Foundation Studies or Diploma in Business
Prerequisites: none
Assumed knowledge: none

Study elective courses in business, advertising, marketing or animation; or complete an overseas study tour, major marketing project or placement in our on-campus Marketing Clinic.

Prepare for a specialist marketing career in digital and print design. Develop foundation knowledge in design and evidence-based marketing; and learn how to apply key design principles across a range of marketing activities. Learn about the creative elements of advertising and how to work collaboratively with graphic designers to create high quality marketing materials. Study core courses in digital marketing, design for publication, consumer behaviour, computer graphics and imaging. Build your practical skills through an industry internship, a mentor program or an overseas study experience. Learn from experts who advise global brands like Procter & Gamble, CBS and Nestlé. You may also be selected to participate in our on-campus Marketing Clinic and provide advice to small businesses under the supervision of marketing professionals. High achieving students may be eligible for the Ehrenberg Scholarship, which covers HECS-HELP fees for one year and the opportunity to apply for a part-time position as a Research Assistant at the world-renowned Ehrenberg-Bass Institute for Marketing Science. You could also apply for a Vacation Research Scholarship and become involved in world-class research.

CAREERS

Marketing coordinator · campaigns manager · advertising account manager · communications manager · publications coordinator · brand manager

Continue your studies with a one-year honours program following your undergraduate degree, aimed at further developing your knowledge and research skills in the creative disciplines. Frame and develop your own research project, producing research outcomes that respond to a real-world challenge or area of particular interest. Be immersed in creative learning spaces, including purpose-built workshops and studios on campus. Learn from teachers and academics who are creative researchers and practitioners. Graduate with a competitive advantage and a qualification that will broaden your career prospects or prepare you for postgraduate study.

CAREERS

Depending on your chosen area of focus, this qualification can lead to a variety of careers in creative arts, design, education or research.

Entry requirements

This program is available to students who have successfully completed an undergraduate degree in a relevant visual arts or design discipline, or equivalent qualification, with an overall Grade Point Average (GPA) of 5 or above (credit level average) and who obtained a credit level average in the final year of the discipline that the candidate intends to pursue within the honours program. Applicants are considered on an individual basis and selection is competitive.

📖	On-campus	👤	Internship/placement
⏱	2 years full-time	$	Commonwealth supported*

SATAC code	4CM012	Program code	DMAE

⊘ *Part-time study available*   *see page 32 for more information.*

Apply advanced knowledge to contemporary architecture and design practice. Develop an in-depth understanding of construction systems, digital design and communication, sustainable strategies, architectural practice, and the historical and theoretical contexts that shape our built environment. Gain valuable practical experience through intensive studio classes where you will design for complex projects, and participate in industry placements and international field trips. Learn from highly experienced teachers and leaders in their field. Tailor your studies and portfolio by pursuing an area of interest such as Design and Construct, Planning and Urban Design or Sustainable Design. Engage in real projects through the Design Construct learning experience, where you will design and build community buildings in remote locations in both Australia and overseas.

Note: This program is accredited by the Architectural Practice Board of South Australia and is listed as an accredited degree by the Architects Accreditation Council of Australia. Graduates must complete a minimum period of work in the industry and the Architectural Practice Examination to be eligible to apply for registration as an Architect.

CAREERS

Architect · spatial designer · urban designer · studio manager · design consultant · heritage consultant · project manager · construction manager

Entry requirements

- *Bachelor of Architectural Studies (DBAE) from the University of South Australia, or a bachelor degree in a three-year pre-professional architecture program from a recognised Australian higher education institution, or equivalent qualification.*
- *Applicants with a bachelor degree in a three-year pre-professional architecture program from a non-Australian higher education institution must also submit a portfolio as part of their application.*
- *Entry into this program is competitive, based on academic merit and subject to quota. The University may admit other applicants who provide satisfactory evidence of academic achievement, which is recognised as an equivalent qualification to a completed Bachelor of Architectural Studies (DBAE).*

Masters by Research
Doctor of Philosophy (PhD)

unisa.edu.au/researchdegrees

Our research degrees are designed to give you expertise and help make a difference to society. You will help to solve real-world problems, partner with end-users of research, and develop skills for research excellence with career relevance.

We offer a wide range of research projects across a variety of research areas that are developed by teams of world-class researchers who will supervise you during your studies.

We want you to thrive in a vibrant postgraduate culture at the forefront of creativity and innovation. You will develop new knowledge to meet contemporary art and design challenges, and spark new ways of thinking and producing. Be inspired by visiting scholars and artists, who are leaders in their field. Engage in thought-provoking symposiums, work-in-progress seminars and studio critiques. Learn under the guidance of highly experienced research supervisors and benefit from national and international research links that will help inform your studies.

TOPICS OF RESEARCH
- Architecture
- Visual Arts
- Design
- Urban and Regional Planning

Entry requirements
A research degree is suitable for someone who has completed a previous degree, normally with a research component. At UniSA, all research degree applications are made to a specific project as listed on our research projects page. Most projects will have additional, project-specific selection criteria. It is also possible to develop your own research project by negotiation. Please contact the Graduate Research Admissions team if you have any questions.

Masters by Research
- *Bachelor degree (or equivalent) of at least three years in a relevant discipline with a minimum credit average; or*
- *Honours degree or bachelor degree with honours; or*
- *An appropriate masters degree (or equivalent).*

Doctor of Philosophy (PhD)
- *Honours degree or bachelor degree with honours of at least class 2a standard in an appropriate discipline; or*
- *An appropriate masters degree (or equivalent).*

Alternative entry
- *Other applicants may be considered for admission if their previous education, professional experience and published research work is of sufficient quality and relevance to prepare the applicant for a research degree.*

research.degrees@unisa.edu.au

STUDY A PROJECT-BASED RESEARCH DEGREE

YOUR STUDENT EXPERIENCE

ORIENTATION is the start of your journey at university. Explore your campus, meet new people, connect with teaching staff, get study advice and enjoy different activities.

CAMPUS CENTRAL teams are there to help you with everything from ID cards, to enrolment, fees, student services and any questions you have about your studies.

SUPPORT SERVICES are available to you throughout your time at university, including study support, personal counselling and peer mentoring, along with access to a range of community clinics located on campus.

USASA is your student association and voice at university. They also organise social activities, coordinate 100+ student clubs and publish our award-winning student magazine.

CAREER SERVICES will help you prepare for your future career. Connect with one of our expert career advisers, access the online Career Hub for the latest resources and job listings, and attend networking and industry events.

UniSA+ is a unique program that will help you get career ready by developing your practical skills in leadership, entrepreneurship, cultural understanding and self-awareness.

STUDENT LOUNGES feature open social spaces, study nooks, kitchen facilities, mobile charging stations, lockers, gaming stations and more.

UniSA SPORT has 25+ sporting clubs, including rowing, netball, gridiron, rock climbing and even esports!

24-HOUR SECURITY services are available on campus and the free SafeZone app can be downloaded through the App Store or Google Play.

ACCOMMODATION services are available to help you set up a home away from home.
MYCAREERMATCH
MyCareerMatch is a free personality and career profiling tool that you can complete before you start university. Contact Future Student Enquiries on *(08) 8302 2376* or at *unisa.edu.au/enquire*

ATAR > DEGREE FINDER
Go online and check out our new ATAR > DEGREE FINDER to explore the degrees you may be eligible for using your Selection Rank.
unisa.edu.au/atar-degree-finder

Be career ready
Explore internship and placement opportunities, along with global experiences like a student exchange.

Keep active
Join one of our teams through UniSA Sport and make new friends along the way.

Discover our heart
Pridham Hall features a graduation space, sports centre, gym and swimming pool located at City West Campus.

Get involved
Attend events and activations on campus and experience our vibrant student culture.

Keep connected
Access our range of student support services so you can perform at your best.

STUDY AT UniSA — THE BASICS

Minimum entry requirements for undergraduate degrees

APPLYING WITH YEAR 12 RESULTS

Applicants are required to have successfully completed the South Australian Certificate of Education (SACE) with:

- A competitive Selection Rank (ATAR) including adjustment factors; and
- The fulfilment of the program's prerequisite requirements (where applicable).

Applicants may also be eligible to compete for entry if they have completed the program's prerequisite requirements and one of the following:

- An interstate or overseas qualification considered by the University as equivalent to SACE; or
- The International Baccalaureate Diploma with a minimum score of 24 points.

unisa.edu.au/Year-12

Selection by Grades

For some degrees, applicants who have not achieved the Selection Rank (ATAR) for their preferred degree may be considered for any remaining places based on the grades of their Year 12 subjects.

unisa.edu.au/selection-by-grades

ADJUSTMENT FACTORS

Universities in South Australia include ATAR-related Adjustment Factors (previously known as bonus points) for Australian high school students applying for entry into university via the following schemes:

- *The Universities Equity Scheme* — provides additional points for students coming from specified schools, as well as individuals experiencing socio-economic disadvantage.
- *The Universities Language, Literacy and Mathematics Adjustment Scheme* — provides additional points for students who successfully complete a language other than English, or specified English and Mathematics subjects.

GUARANTEED ENTRY

UniSA offers guaranteed entry into many programs for domestic Year 12 and VET students. If your Selection Rank (ATAR including Adjustment Factors) or VET award meets the UniSA Guaranteed Entry score for that program, you have met the prerequisites and any other program specific entry requirements, and you have listed the program as your first preference, you're in. It's guaranteed. Please note application timelines may apply.

ADMISSIONS PATHWAYS

Entering your chosen degree straight from high school is not the only pathway into UniSA. Applicants may also meet the minimum requirements to apply for entry (via competitive selection) through one of the following:

UniSA College — there are a variety of pathway options offered through UniSA College, including diplomas, Foundation Studies and the Aboriginal Pathway Program.

Special entry — a competitive Special Tertiary Admissions Test (STAT) score. A personal competencies statement or relevant employment experience alongside your STAT score may also be considered for some programs.

Vocational Education Training (VET) — applicants may be eligible for entry with the completion of an award from TAFE or another Registered Training Organisation at AQF Certificate IV or above.

Higher education diploma — completion of a relevant higher education diploma from UniSA College, SAIBT or another recognised higher education institution.

Higher education study — completion of at least half a year of full-time equivalent study at UniSA or a recognised higher education institution. You can apply using your Grade Point Average (GPA).

Alternative education providers — there are a range of alternative pathways, including bridging qualifications offered through SAIBT and Eynesbury.

Open Universities Australia (OUA) — completion of at least four OUA courses within the same degree at an undergraduate level or higher.

SCHOLARSHIPS

We offer a wide range of scholarships and grants to support students from all walks of life. Each year, more than 2,500 students benefit from scholarships at UniSA, providing financial assistance as well as valuable work experience, mentoring opportunities and even overseas travel. Go online to check your eligibility.

FEES

All domestic undergraduate students at UniSA are in Commonwealth-supported places. Students in these places pay a contribution of their fees depending on the program chosen and the contribution band in which those courses are classified (see table below). The amount of your student contribution also depends on the unit value of your courses of study.

As per the Australian Government guidelines, the student contribution amounts for 2021 are:

BAND	FIELD OF EDUCATION	STUDENT CONTRIBUTION *For one year of full-time load (1 EFTSL)*	STUDENT CONTRIBUTION *For each subject (0.125 EFTSL)*
1	Agriculture, english, mathematics, teaching, clinical psychology[4], languages and nursing.	$3,950	$493
2 (2&2A)	Architecture, IT, other health, allied health, creative arts, engineering, science, environmental studies, professional pathway psychology[4], professional pathway social work[4] and clinical psychology[4].	$7,950	$993
3	Dentistry, medicine and veterinary science.	$11,300	$1,412
4 (4A,4C,4P, 4S&4Y)	law, accounting, administration, economics, commerce, communications, society and culture, professional pathway psychology[4], professional pathway social work[4] and clinical psychology[4].	$14,500	$1,812

Some postgraduate programs are also Commonwealth-supported (or CSP), while others are full fee-paying; this is listed on applicable programs in this guide. For programs under 10 year full-time study, fees are listed as the whole program fee (indicative of 2021). For programs over 10 years full-time study, fees are listed based on the cost per annum (indicative of 2021). For more information on fees, including eligibility for Commonwealth-supported places, deferring your student contribution through HECS-HELP or FEE-HELP loans, please visit unisa.edu.au/fees

This table should be used as a guide only. Total costs can vary depending on the courses you study and the band they fall into.

[4] Band determined by program/plan.
