

## Subject Selection Information for Year 7 Students

**For Special Interest Sport, Dance, Music or Tennis students who also want to select a full year language subject, or a second Special Interest Program**

If you are wanting to select one of our full year specialist subjects **and** select a full year language subject (Japanese or French), or you want to select **two** special interest program subjects (Dance, Music, Sport or Tennis) you must do the following:

Preference boxes that have a  icon located to the right must have a valid subject selected from that box before you can submit your preferences.

The screenshot shows a web interface for subject selection. It is divided into two main sections: 'Elective Subjects' and 'Extra selection for those in SIS, SID, Music or Tennis who also want a full year Language Subject'.  
Under 'Elective Subjects', there are four preference boxes:  
- Preference 1: JAPANESE Semester 1 (1 Unit)  
- Preference 2: JAPANESE Semester 2 (1 Unit)  
- Preference 3: SPECIAL INTEREST DANCE Semester 1 (1 Unit)  
- Reserve 1: DRAMA (1 Unit)  
Under 'Extra selection for those in SIS, SID, Music or Tennis who also want a full year Language Subject', there is one preference box:  
- Preference 4: SPECIAL INTEREST DANCE Semester 2 (1 Unit)  
Arrows from the text boxes below point to these selections: a purple arrow from box 1 to Preference 1; a blue arrow from box 2 to Reserve 1; a red arrow from box 3 to Preference 3; and a red arrow from box 4 to Preference 4.

Select the **language** (Japanese or French) or your **first Special Interest** subject that you want to study in Preference Boxes 1 and 2  
(make sure that you choose the Semester 1 and Semester 2 options!)

Select a reserve as normal (the program will not let you proceed without a reserve)

Select the **special interest** full year subject (Dance, Music, Sport or Tennis) in Preference Boxes 3 and 4  
(again, make sure that you choose the Semester 1 and Semester 2 options!)

 Proceed

Then click  
"Proceed"  
as  
normal!

Remember that you will only be able to select a Special Interest subject if you were already in that subject this year!
