

For current Year 7 students going into Year 8 in 2024

Subject selection for 2024 has two phases:

- Phase 1: students submit their subject preferences for 2024 via the online portal. These are the subjects that you would like to do in 2024 → **must be done by Monday 21 August.**
 - These preferences will determine the subjects that are offered for 2024, and which lines the subjects are offered on.
- Phase 2: students submit their subject nominations for 2024 via the online portal. These are the subjects that you are choosing to do based on the lines offered (providing enough students select the subject to make it viable) → **you must have these entered by midnight Friday 22 September**

*****Students in Year 7 do not have subject selection interviews*****

Subjects being offered for 2024 at Year 8:

- Subjects in **blue** are compulsory subjects.
- Subjects in **black** are one semester elective subjects, and can be chosen only once.
- Subjects in **green** are elective full year subjects that, if chosen, must be chosen in both semesters.
