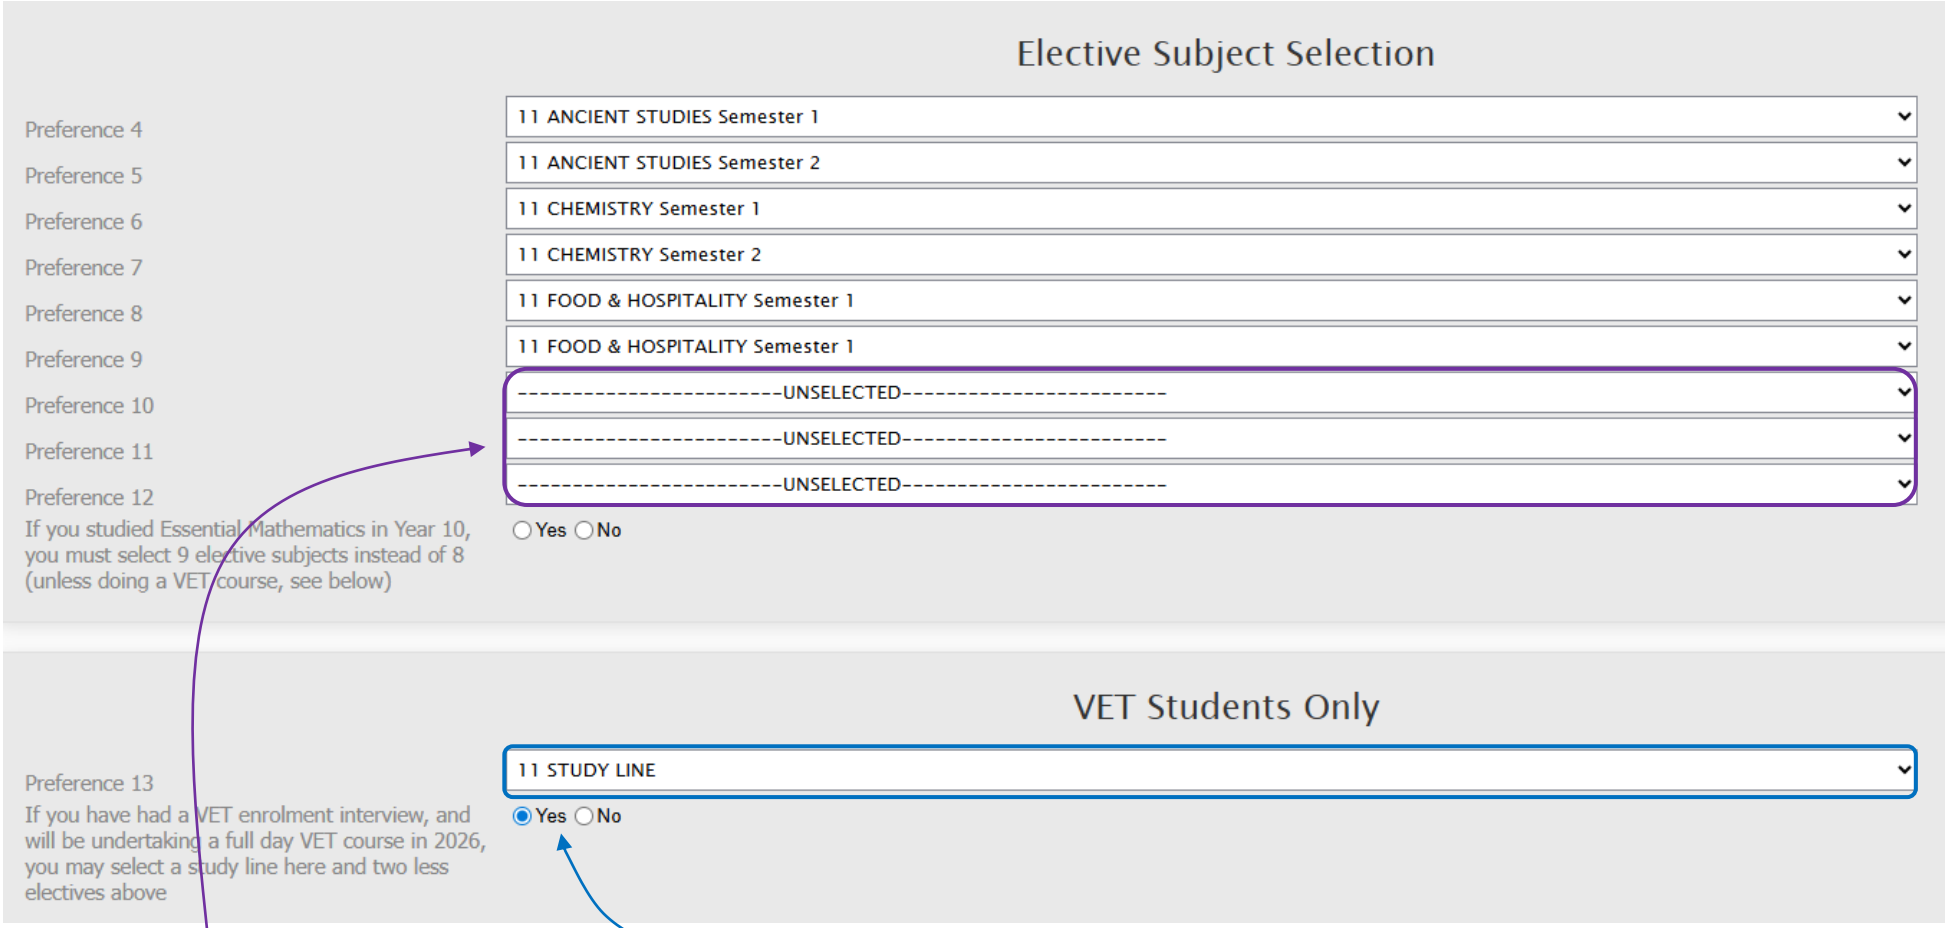
Subject Selection Information for Year 10 Students

For students who will be completing a FULL DAY VET course in Year 11

If you have had a VET enrolment interview, and will be studying a full day VET course in Year 11, you can select a study line in place of ***two*** of your elective subjects. Make sure you do the following in the subject selection portal



Leave preferences 10, 11 and 12 blank

Select the study line for preference 13, and make sure you tick the "Yes"

If you also **did Year 10 Essential Maths** then you will need to choose an elective on preference line 10

(ie: you can only leave preference lines 11 and 12 blank)

This will be checked by the course counsellor at your Subject Selection Interview
