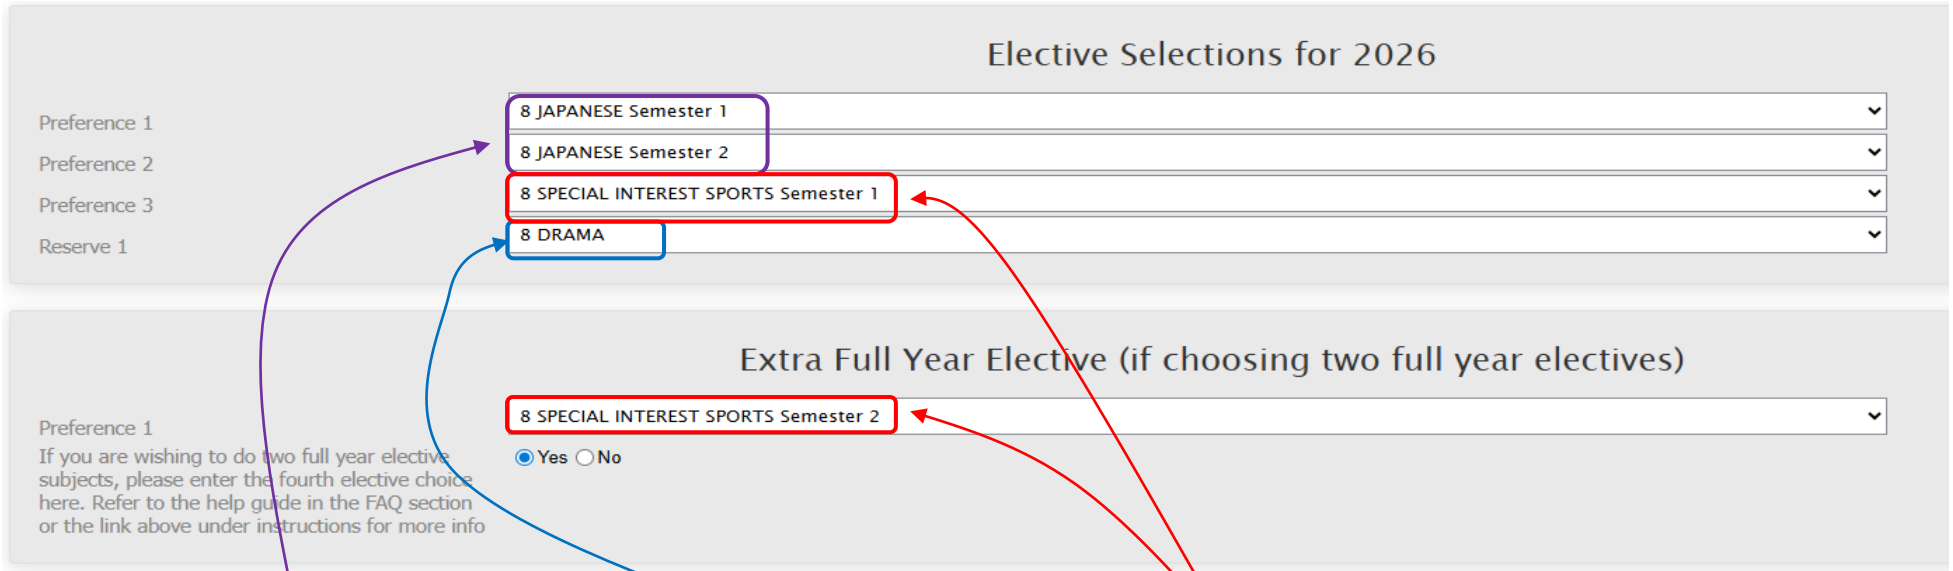
Subject Selection Information for Year 7 Students

For Special Interest Sport, Dance, Music or Tennis students who also want to select a full year language subject, or a second Special Interest Program

If you are wanting to select one of our full year specialist subjects ***and*** select a full year language subject (Japanese or French), or you want to select ***two*** special interest program subjects (Dance, Music, Sport or Tennis) you must do the following:



Select the first **full year elective subject** you want to study in Preference Boxes 1 and 2

(make sure that you choose the Semester 1 and Semester 2 options!)

Select a reserve as normal (the program will not let you proceed without a reserve)

Select the **second full year elective subject** across these two Preference Boxes

(again, make sure that you choose the Semester 1 and Semester 2 options!)

Then click "Proceed" as normal!

Remember that you will only be able to select a Special Interest subject if you were already in that subject this year!
