# VET Course Information Interviews

SEAVIEW HIGH SCHOOL

Vocational Education and Training (VET) offers practical, hands-on learning with real-world applications.

VET courses, now referred to as Flexible Industry Pathways, are endorsed by industry and recognised across Australia.

Students who undertake VET gain valuable skills, knowledge, and experience that can lead directly to apprenticeships, traineeships, and employment – all while still at school.

Come along, ask questions and learn about VET options

or

Be prepared if you know your VET Course/Pathway

1. Create your USI - Here
2. Have your evidence ready
